

I want to make homelessness history in Colorado.

Losing a home can happen to anyone. Did you know nearly half of Metro Denver residents have a close friend or family member who has experienced homelessness? Did you know more than 14,000 children in Metro Denver don't have a home to go to after their school day?

Close to Home is a campaign to Learn More, Speak Up, and Take Action to help make a meaningful difference in address homelessness so everyone in our community has a safe place to call home.

KEEP IT GOING, PASS THIS CARING CARD ON TO SOMEONE ELSE, SHOW YOU CARE!

Need Help? If you, or someone you know needs assistance to prevent homelessness or to move out of homelessness call 2-1-1 or go to www.211colorado.org. It's free and confidential.
